I. BASIS OF ASSESSMENT OF MEMBER STATES' CONTRIBUTIONS TO UNAVEM II FOR THE PERIOD 1 NOVEMBER 1992 TO 28 FEBRUARY 1993

A. Period from 1 November 1992 to 28 February 1993

1. By resolutions 785 (1992) of 30 October 1992 and 793 (1992) of 30 November 1992, the Security Council decided to extend the existing mandate of the United Nations Angola Verification Mission (UNAVEM II) for further periods until 31 January 1993. By decision 47/450 of 22 December 1992, the General Assembly authorized the Secretary-General to enter into commitments up to the amount of 25,258,800 United States dollars gross (24,218,000 dollars net) for the maintenance of the United Nations Angola Verification Mission for the period ending 28 February 1993.

2. The amount so authorized by the General Assembly was apportioned among Member States in accordance with the provisions laid out in section I.B. below and is shown in section IV below.

B. Apportionment of the costs of peace-keeping operations

3. On 11 December 1973, the General Assembly adopted resolution 3101 (XXVIII) on the financing of the United Nations Emergency Force (UNEF II). Under the resolution, the membership of the United Nations was divided into four groups: (a) the States permanent members of the Security Council; (b) specifically named economically developed Member States that are not permanent members of the Security Council; (c) economically less developed Member States; and (d) economically less developed Member States that were specifically named. The resolution also specified the amounts of the total appropriation to be distributed among each of the four groups.

4. The four amounts specified in the resolution were established by a methodology intended to produce the following results: the Member States in group (d) would pay 10 per cent of the assessment rates established for the regular budget, those in group (c) would pay 20 per cent, those in group (b) would pay 100 per cent and those in group (a) would pay 100 per cent plus the amounts not otherwise apportioned.

5. Within each group, according to the terms of resolution 3101 (XXVIII), the amount appropriated was to be distributed among the respective group members on the basis of the relative weight of each group member's regular rate of assessment in relation to the total rate for the group.

6. The scheme for the apportionment of costs set out in resolution 3101 (XXVIII) has continued to be applied since that time for all peace-keeping operations financed through assessed contributions, including UNAVEM II. However, the composition of the four groups of Member States has changed repeatedly since 1973 as a result of the admission of 46 new Member States, including 13 new Member States in 1992, and the decisions contained in the various General Assembly resolutions, the latest of which is resolution 43/232 of 1 March 1989, as adjusted by resolutions 44/192 B of 21 December 1989,

45/246 of 21 December 1990, 46/195 A of 20 December 1991 and 47/218 of 23 December 1992. The percentage shares shown in section IV below demonstrate the results of the application of the scheme, using the scale of assessments for the period 1992-1994, adopted by General Assembly resolution 46/221 A of 20 December 1991 and adjusted in accordance with General Assembly decision 47/456 of 23 December 1992.
